

The new BC Junction Lot and BC Junction Office will be operational on Monday, December 22, 2008

The new BC Junction and BC Junction Office will be located at the corner of Hawley and Carroll Streets. There is a restroom in the new BC Junction Office for employees use. You may use the same restroom key from the old BC Junction Office to access the new BC Junction Office.

Below are the bus routings outbound and inbound for BC Junction.

Because of the configuration of the new BC Junction, there will not be an "A" or "B" Dock.

All buses that park in the new BC Junction lot will be assigned spaces. The spaces will be clearly marked on the lot surface.

All buses parking in the new BC Junction lot will **enter from Carroll Street** and **exit onto Hawley Street.**
