

Metrix E-Learning

Broome Tioga Workforce NY is now able to offer e-learning to local employers through Metrix Learning, a system developed by NY Wired for Education that utilizes courses developed by on-line leaders **SkillSoft** and **Medcom**.

Who can benefit?

- Are you seeking qualified applicants?
- Do your employees lack particular skills for the job?
- Are you interested in providing training but can't spend the time or money on long courses?

Why e-learning?

- Flexible – Can match your employees' skill level and learning pace
- Convenient – Accessible 24/7 from any location with high speed Internet access
- Low cost – no tuition or travel costs
- Courses – up-to-date and comprehensive

Why Metrix?

Metrix learning will help:

- Assess knowledge of skills needed for the target occupation
- Select courses that will help acquire the skills needed for the target occupation
- Skills assessment and testing

What are some examples of offerings through Metrix?
